- Work with **Task Scheduling, Event Listener, Queues, MeiliSearch, AWS S3**
- Good concept of **RDBMS** including experience in **MySQL** database
- Experienced in developing **POS, E-commerce, HRM, Courier System and more** applications
- Experienced in version control systems such as **Git** and **GitHub**

Technical Skills:

PHP and Laravel

- **3+** years of experience in Laravel
- REST API, OOP, Task Scheduling, Event Listener, Queues
- MeiliSearch, Amazon s3 for image
- Laravel Package Development

Database

- Clear Understanding of RDBMS
- RDBMS: MySQL

Front-End and React JS

- **3+** years of experience in js
- JQuery and Ajax
- React Js, React Redux
- HTML, CSS,
- BOOTSTRAP

Dev Tools

- Git , GitHub, Bitbucket
- Docker – (beginner)

Professional Experience:

Web Xpress Ltd

Designation : **Software Developer** (01 Feb 2024 to Present)

Responsibilities :

- Developed and optimized **E-commerce platform (DevzCart)**: handling **1,000+** daily transactions and increasing customer order processing, Integrate **Courier System** with live order tracking
- Designed **HRM system (Zonobol)** that streamlined employee management for **400+ staff** at client organizations.
- Integrated **AI-powered search engine** with **MeiliSearch**, reducing product search time & server load by **60%**.
- **Migrated media storage to AWS S3**, lowering hosting costs by **20%** and ensuring scalable, secure file management.
- **Collaborated** with a cross-functional team of designers, front-end developers, and project managers to deliver projects on time and within scope

Smart Software Ltd

Designation : **Jr. Software Developer** (19 Mar 2022 to 01 Jan 2024)

Responsibilities :

- Built **Hotel Management System** that reduced manual booking errors by **25%**, adopted by **3+ hotels**.
- Developed **POS solution (Dokani)** used by **many retail stores**, improving daily transaction handling efficiency.
- Optimized **HRM** database queries, cutting report generation time.
- Integrated SMS gateway and third-party APIs

Education:

B. Sc in Computer Science & Engineering

Green University Bangladesh, Dhaka — Ongoing

Diploma in Engineering — Computer Technology

Sylhet Polytechnical Institute, Sylhet — 2019

CGPA : 3.40 / 4.00

Language Proficiency:

- **Bangla** - Native
- **English** - Good in reading, writing, and listening

Appearances in Contests & Developments:

- **Problem Solving** : <https://leetcode.com/u/rajibbinalam/>
- **Working Projects** :
 - Smart Dokani Software (<https://smart-dokani.com>) (<https://app.smart-dokani.com>)
 - Medilab (<https://medilab.mediscanbd.com>)
 - School ERP (<https://mbn-edu.com/>)
 - Websites (<https://mcemblemmanufacturing.com/>)
 - E-commerce (DevzCart). ([AgroholiC](#)), ([Mew Mew shop](#)), ([Priyo baby](#))
 - Zonobol HRM ([Wings Group](#))
